Welcome New Sharks!

Thank you for the privilege of caring for your child, working and helping them through very important stages of development. We strive to provide a safe, clean, healthy learning environment for our class, with rich opportunities for discovery and exploration. This age group is lots of fun, and we are looking forward to a great year!

A few things to remember about our room:

- Our weekly lesson plan is posted on the board by the door along with our calendar and class schedule.

Our circle time begins that 9:00 a.m. During circle time, we learn and engage with each other as a large group. This is the way we start our day. Together, we talk about our topic, number, letter and shape of the week and any other important things that are happening. It is imperative to your child's learning and development that he/she is present for circle time on the days that he/she will be at school. Circle time is our morning meeting.

- All personal items must be labeled with first and last name this includes bottles, shirts, bags, etc. Please provide extra clothes, including socks and shoes. These extra clothes will stay in your child's bag for accidents. Close-toed shoes with socks must be worn for outside playing (no sandal/thongs allowed!). Shorts must be worn under dresses.
- Please provide a 1 or 2" vinyl mat for your child as well as a tight-fitting sheet, and blanket. These will be sent home on Fridays to be cleaned and returned on Mondays.
- All food is provided by the parents. Any morning snack, lunch and afternoon snack should be provided in a lunch box with a cold ice pack (no in -room refrigerator). Hot foods can be bought in a thermos. Please observe class allergies posted in our room. Please let us know if you want to bring in special treats 24 hours in advance.
- This class will be doing toilet training. All soiled clothes will be sent home. Please bring pull UPS with easy open sides. Requests for diapers, pull-ups, wipes etc., will be sent home as needed.
- Each child has a cubby with his/her name on it. The cubbies are located below the coat hooks by the door. Please check your child's cubby daily.

Thank you again for trusting us and giving us an opportunity to teach and care for your child!

God-bless!
